Re: Emergency Drought Permit No. G4-32982-05

This is the report on the ground water withdrawn pursuant to the above reference permit from a well located within the NE 1/4NW14 of Section 5, T. 10N, R.22EWM.

Date:	Well Reading:
3/31/05 (start)	23,422,000
4/26/05	34,043,100
5/17/05	39,242,200
6/6/05	43,561,800
7/2/05	45,764,800
8/04/05	64,405,500
10/31/05(end)	71,582,900

The well was used intermittently during the irrigation season. The total amount withdrawn was 48,160,900 gallons, or 147.8 acre feet.

If any further information is required please contact the undersigned.

John Bosma
